

Concept Overdrive Price List (domestic)

3rd Quarter 2017, all prices USD

Overdrive Systems

System Kit for Motion Control / Robotics	18500	System Kit - Laptop	18500
System Kit for Visual Effects +Ethernet Module	21500	Nano Playback Unit (no peripherals)	4500
Hot-Spare computer (7 day license)	9250	System Rental	400/day, 1500/week
Embedded System Kit (w/ CAN, Chip/Stack-EC)	9250		

* 30% discount off of System Kits in 'Cooperative Development' program

System Kits are functional OEM control systems, but a quote is necessary to identify all needed peripherals.

System Kit (rackmount) includes: Control Station w/ 64chan analog input+cable, Overdrive software, 19" Rack mount chassis 3U, 1 Stack-EC or 1 Chip-EC, 2 Fiber transceivers, 1 Fiber, EC power supply, keyboard, mouse, Documentation & boot disks. Assembly, wiring, enclosures, joysticks, monitor not included.

Hardware

Analog output card for StackEC (16 ch, 12 bit)	575	Analog input card for StackEC (32 ch)	700
Analog Output for ChipEC (16bit 8ch DAC)	175	Analog output card for StackEC (16 ch, 16 bit)	600
CAN card for StackEC	365	CAN card PCI for Control Station (1ch isolated)	415
CAN card PCIE for Laptop	400	CANcoder Quadrature Encoder Board (1 ch)	200
CANSerial / SerCAN protocol converters	400	ChipEC controller (12 RCservo, CAN servos)	375
DIOD Digital Out put Device microcontroller	325	DID Digital Input Device (8x12bit, 8x16bit ADC)	425
Ethernet Card for StackEC (PC104)	300	Estop Relay Board	360
Fiber w/ connectors (plastic,standard)	210	Fiber Simplex Transceiver (for Estop)	195
Fiberserial Transceiver (plastic fiber)	280	Glass Fiberserial Transceiver	280
Genlock board for Tri-Level Sync	600	Overdrive PC Hardware upgrade	1800
Power Supply PC104 "HE104"	320	Quadrature Card for StackEC (8 ch)	300
Signal Buffer Amp (2 chan, for Pots)	175	Servo MOSFET switch (PCB/prebuilt)	45/75
Stack-EC card, licensed (for EtherCAT)	1550	Signal converter boards	150
Stack-EC card, licensed (for hydraulics, motors)	1200	Step & Direction Controller "StepDir" (CAN)	425
SSI Feedback board (2chan) for StackEC	425	Transamp Valve Driver card (16 coil valves)	675
Time Code Reader "TCAN"	385	Wireless diversity modem kit (for EC comm)	1950

Software

Chip-EC upgrade	200	EC Communication SDK (free w/ SysKit)	400
Joystick USB Driver package	450	Motion Control Plugins/Profiles	2750
Net-EC module for Ethernet streaming	2000	Overdrive Distro Upgrade	800
Overdrive Software Upgrade	2900	Overdrive Subscription Annual	925
Overdrive Transfer License	4625	Overdrive Virtual Machine	750
Plugins for Maya, MotionBuilder	2600	Reverse-FK Motion Base Solve	6000
Show conversion Hot-folder for VFX	1100	Stack-EC software upgrade	600

** 30% discount off of above software in 'Cooperative Development' program*
